Tribute

GARY HAMBLEY, Meridian, Idaho left this earth on April 28, 2024 to enjoy the peace and comfort of his Lord. He was 83 and finally pain-free after a 13-year-long courageous battle with cancer.

He was born in Nampa, Idaho to his parents Ray and Virginia. The family moved to Boise when Gary was in the second grade.

He served his country in Korea. Back in the U.S. he earned a Master's Degree in child development. He married Jeannine Jaszowski on July 3, 1983. They built H&W Northwest Company which provided commercial painting services locally and all around the northwest for many years. For the last three decades Gary and Jeannine ran a car dealership utilizing skills and tools to purchase vehicles nationwide.

One of the highlights of Gary's life was hosting a 4th of July event which featured his Mom, Virginia's birthday every year. His backyard and swimming pool were filled with friends and relatives who looked forward to that celebration annually.

Gary was a member of Castle Hills Church of the Nazarene where Pastor Joy Streight was a precious friend and mentor.

Gary is survived by his wife Jeannine; sisters Judy Hambley and Jan Smith; daughter Amy (Mike) Henry and grandchildren Cian, Carter, Carly; stepdaughter Stormy (Dave) Goodwin and grandchildren Elise, Alex, Graham; a legion of cousins and friends. A celebration of life is planned for later this year.
